Notice Concerning GRESB Real Estate Assessment Results  
(MEL awarded the highest “5 Stars” for the fourth consecutive year)

Mitsubishi Estate Logistics REIT Investment Corporation (“MEL”) announces that MEL has been awarded the prestigious a “5 Stars” for the fourth consecutive year and a “Green Star” for the fifth consecutive year by the 2023 GRESB. In addition, MEL also received the highest “A Level” for the GRESB Public Disclosure for the fourth consecutive year. The details are described below.

1. Results of 2023 GRESB Assessment  
(1) GRESB Real Estate Assessment

In the 2023 GRESB Real Estate Assessment, MEL received a “5 Stars” for the fourth consecutive year, which is based on GRESB overall score and its quintile position relative to global participants. MEL received a “Green Star” designation for the fifth consecutive year by achieving high performance both in “Management Component” that evaluates policies and organizational structure for ESG promotion, and “Performance Component” that assesses environmental performance and tenant engagement of properties owned by MEL.

(2) GRESB Public Disclosure

MEL also received the highest “A Level” for the GRESB Public Disclosure for the fourth consecutive year, which assesses the width of our ESG disclosure.

For further information regarding 2023 GRESB Assessment, please see the GRESB website.

About the GRESB

GRESB assesses the sustainability performance of real assets across the globe. The assessment was established in 2009 primarily by major European pension funds which took the lead in Principles for Responsible Investment (PRI). The GRESB Real Estate Assessment is distinguished by its comprehensive evaluation of initiatives for sustainability of property companies, REITs and real estate funds.

Currently, about 150 Investor Members use GRESB data for their investment decision-making and engagement with investees, and several institutions from Japan including Government Pension Investment Fund (GPIF) utilize GRESB Assessment results. In 2023, 2,084 listed or private real estate companies/funds participated in GRESB Real Estate Assessment.

2. MEL's Future Initiatives

MEL is committed to endeavoring to enhance consideration towards ESG to improve the sustainability of society. We recognize that this is an important social responsibility for a listed enterprise to assume, and also believe that it is essential for maximizing our unitholder value.

To put our commitment into practice based on the above recognition MEL strives to invest in environmentally friendly logistics facilities, and will continue to focus on maximizing the energy efficiency of our properties, as well as contribution actions to the local communities.
